The Foundations Have Crumbled

In modern times there has been a fundamental shift in how our culture views Christianity. The Church is viewed as an important part of our history - but not a voice to be taken seriously today. Meanwhile, many in our pews and pulpits have given up believing in the sufficiency of the Bible - and are fast giving up on its inerrancy. Today an increasing number of young people don't think it's possible to know whether or not God even exists. In short, our once heavily Christianised nation is almost entirely given over to secular ideology.

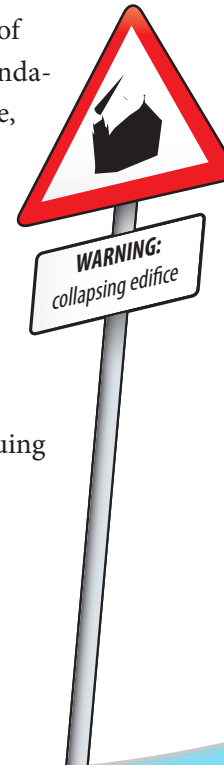

Our Purpose

Answers in Genesis aims to support the church in proclaiming the Gospel of Jesus Christ, by reclaiming the foundations of our faith found in the Bible, from the very first verse. We demonstrate the absolute truth and authority of Scripture, relating the relevance of Genesis to the Church and the world of today.

Please consider prayerfully whether you can help us in continuing this vital mission. Thank you!

Sincerely, in Christ,

AiG-UK
